## The New Boston Tavern

The picture on the cover depicts the famous New Boston Tavern in its heyday, probably in the early 1900's judging from the vintage of the motor cars. In 1893 the old hostelry known as Young's Tavern was completely remodeled and reopened under the ownership of James B. Whipple, brother of New Boston's famous son, J. Reed Whipple. The Tavern flourished for 10 years until the death of its owner, when it passed into the hands of William P. Averill who operated it until about 1920. From then on it went through a succession of owners until it was torn down in 1944. The earliest records available show that Henry J. Young "provided meals for the Selectmen" in 1872.

## Articles in the Town Warrant and Proceedings of the Town Meeting, March 7, 1972

The meeting was called to order at 10:00 A. M. by the Moderator, David L. Nixon. Evelyn Barss led in the repeating of the Lord's Prayer, and the saluting of the flag was led by Harold Strong.

It was duly moved and seconded and voted in the affirmative to take up Articles 1, 2 and 3 until the closing of the polls at 7:00 P. M., at which time the remaining Articles would be acted upon. The polls were declared open for ballot voting. Daniel McCreary was distinguished as the first to cast his ballot.

Article 2. To vote on the following subject: Shall the provisions of Chapter 287 of the Revised Statutes annotated relative to playing games of Beano be adopted in this Town?

Yes - 314

No - 92

Article 3. To vote on the following subject: In accordance with Chapter 31:63c the following question: Are you in favor of abolishing the Planning Board as proposed by a petition of voters of this Town? The Planning Board is not in favor of the above petition.

Yes - 192

No - 234

Due to the lengthy ballots to be voted upon, the voting line progressed slowly prompting the motion from Richard Whynall, and seconded by Albert Dancause, to hold the polls open until 7:30 P. M. The motion carried.

Roland Sallada moved, seconded by Albert Dancause, that the polls remain open until such time that the Moderator sees fit to close them. The motion carried.

The meeting was called to order at 7:30 P. M. by the Moderator,

David L. Nixon. The Reverend Joseph Holland opened the meeting with prayer and Selectman Harold C. Strong led the Salute to the Flag. All officers at the meeting were introduced. Roland Sallada pointed out minor errors appearing in the Town Report.

George Hawkins moved to take up the Articles in sequence until 11:30 and adjourn to a date certain, to take up the balance of the Warrant. The motion was seconded and passed in the affirmative.

Roland Sallada moved, seconded by Yvonne Gomes, that the Moderator take a consensus of the voters present as to whether they wanted to proceed with consideration of the remainder of the Articles in the Warrant while voting is still taking place, or wait until voting is completed. Consensus was taken and duly passed in favor of immediate consideration.

Article 11. It was moved by Roland Sallada that the Town vote to raise and appropriate the sum of \$25.00 in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for Forest Fire Protection, the New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose. The motion was seconded by Roland Marchand and passed in the affirmative.

Article 12. Kenneth Barss made a motion that the Town vote to build a new fire station on the former High School site, total cost not to exceed \$47,000 toward which the fire department shall contribute \$7,000 from their Building and Equipment Fund, and the sum of \$6,000 plus interest which has accumulated thereon to be transferred from the Capital Reserve Fund for application toward the expense of building of a new fire station leaving a net total cost to the Town of \$34,000; and accordingly to appropriate the sum of \$34,000 for such project. The motion was seconded by Christopher Dumaine. Discussion followed. John Young moved the main question. The motion to vote the main question was duly seconded and passed. A division was requested and ordered. Favorable: 140; opposed: 44. The original motion carried.

The time of adjournment had now approached. Roland Sallada moved that the time be extended, so as to act on Articles through number 15. Gail Parker seconded the motion and the motion carried.

Article 13. Roland Sallada moved this Article be passed over, to see if the Town will vote to appropriate the sum of \$10,000 to purchase the necessary land, and prepare and make same ready for the building of a new Fire Station. The motion to pass over this Article was seconded by Roland Marchand and passed.

Article 14. It was moved by Roland Sallada that the Town vote to allow the withdrawal and application of the new fire station Capital Reserve Fund of \$6,000, plus accumulated interest thereon, to the construction of a new fire station. The motion was seconded by Roland Marchand and the motion carried.

Article 15. To see if the Town will vote to authorize the Selectmen to issue Long Term Notes in the name of the Town to provide any monies appropriated at the 1972 Annual Town Meeting

for the purpose of constructing a new Fire Station, or purchasing or acquiring a suitable site therefor, over and above the \$7,000 to be contributed from the Fire Department's Building and Reserve Fund and Capital Reserve Fund of \$6,000, plus accumulated interest, toward a total cost of \$47,000 for such construction, and \$10,000 for such site purchase and improvement, or act in relation thereto. Robert Normandin moved that this Article be accepted as written, but to delete the words 'and \$10,000 for such site purchase and improvement'. The motion was seconded by Roland Marchand and was passed.

Janet Nixon appealed to the people that the old fire station, at the time of its retirement as a fire station, be available as a Youth Center.

The meeting was recessed at 11:45 to be resumed on Tuesday, March 8, 1972 at 7:00 P. M., in the Town Hall.

### **CONTINUATION OF TOWN MEETING**

The meeting opened at 7:15 P. M. on Wednesday, March 8, 1972 to take up Articles Numbers 16 through 27 of the Town Warrant. Moderator David L. Nixon announced the results of the ballot vote of the previous day.

Article 16. To see if the Town will vote to adopt the following Ordinance:

#### **A PROPOSED ORDINANCE TO REGULATE REMOVAL OF EARTH PRODUCTS FROM NEW BOSTON**

The removal of earth products including all types of soil, humus, peat, loam, sand, gravel and bedrock from the Town of New Boston is prohibited unless authorized by the Board of Selectmen.

Authorization for earth products removal shall be by written permit from the Board of Selectmen. Issuance of said permit shall be by the following procedure:

1. Written application must be made to the Board of Selectmen. Said application shall include the following information:
  - a. Location of proposed excavation.
  - b. Legal names and addresses of (1) the individual or firm applying for the earth products removal permit, (2) the owner of the property, (3) owners of all property located within 600 feet.
  - c. Estimated quantity of material to be removed.
  - d. A topographical map of the area with existing and final contours may be required at the discretion of the Selectmen, depending on extent of proposed excavation.
  - e. Method of removal and routes of transport of material.
  - f. Hours and days of operation.
  - g. Anticipated duration of removal operation.
  - h. Plan for area once excavation is completed. The plan shall include final grade and topsoil and vegetation cover.
2. The application shall be submitted together with a fee of \$25.

3. The Board of Selectmen shall within ten (10) days of receipt of the application either by unanimous vote issue an earth products removal permit with any restrictions they deem necessary to protect the interest of the Town, or deny the permit application. The permit will be issued only under the following conditions:
  - a. The excavation is not detrimental to the welfare of the Town in terms of property values and historic or scenic character.
  - b. The operation does not endanger the public health or safety or constitute a nuisance through production of noise, dust or other by-products seriously objectionable or detrimental to the normal use of adjacent property.
  - c. The earth removal does not result in traffic congestion or hazards and does not result in undue injury to ways over which material is transported.
  - d. When the removal of material is completed, the site shall be established to prevent erosion and shall meet the conditions stated in paragraph 3-a above.
  - e. A performance bond is posted with the Treasurer of the Town of New Boston by the applicant in an amount approved by the Board of Selectmen as sufficient to guarantee conformity with the provisions of paragraph 3-d of this Ordinance.

The Board of Selectmen, at its discretion, may waive this requirement for a performance bond where the proposed excavation is of such a small scale as to have little adverse effect on the health, safety and welfare of the community and will have no measurable effect on property values in the neighborhood.
4. Upon denial of permit, the applicant may request a public hearing, to be held within thirty (30) days of request upon at least twenty (20) days notice in a newspaper with local distribution and after notices by registered or certified mail are sent to abutters of records to the removal site. The Board of Selectmen shall act as stipulated in paragraph 3 of this Ordinance, with the exception that only a majority vote is necessary to grant a permit.
5. The earth removal permit shall be valid for a period of no longer than twelve (12) months from the effective date and may be renewed without fee by a majority vote of the Board of Selectmen.
6. The penalty for violation of this Ordinance or of the restrictions on the permit will mean revocation of the existing permit after a public hearing, plus a fine of not more than \$50 for each offense. Each day of violation shall constitute a separate offense.

7. This Ordinance and any amendments thereto shall become effective when passed by majority vote at a Town Meeting, or act in relation thereto.

Randall Parker moved, seconded by Richard Moore, that Article 16 be accepted as printed in the Warrant. He proceeded to explain the meaning of the Ordinance which was proposed by the Conservation Commission.

Richard Tautkus moved an amendment to the first paragraph following the words 'Board of Selectmen', to insert the words 'or in cases where such removal is only to a Town abutting New Boston'. Daniel McCreary moved, seconded by David Whipple, that the subject be indefinitely laid on the table. Division was called. Favorable: 73; opposed: 60. In this case, a two-thirds vote (88) was needed to carry the motion. Thus the motion was defeated. Charles Houghton moved the question of the amendment and was seconded by David Whipple. The amendment was voted upon and was defeated.

Randall Parker made the motion, seconded by Cora Trimbur, that an amendment be made to the last paragraph of section 3 of the Ordinance to include the words, following the words 'performance bond' to read, 'and/or the \$25 fee'. LeRoy Lowell moved the amendment and it was seconded by Theodore Tower. A division was called. Favorable: 88; opposed: 26. The motion for the amendment was carried.

Russell Gomes, seconded by Robert Foote, moved that the original question be put without further debate. The motion carried. A division was called to vote on the Ordinance including the amendment. Favorable: 76; opposed: 60. The procedure of the Moderator's use of majority ruling was challenged by seven voters. A vote was taken. Sustaining the Moderator's ruling: 102; opposed: 19. The Ordinance vote still stands as passing in the affirmative.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$200 to paint the trim on the Library, or act in relation thereto. Roland Sallada moved this article be passed over. He informed the people that the Wason Memorial Fund, in the amount of \$250, which is paid over annually to the Library, is donated for the specific purpose to maintain the library building. The motion was seconded by Gail Parker. Laurier Michaud made the motion that the Town vote to raise and appropriate the sum of \$200 to paint the trim on the Library. The motion was seconded by David Whipple, voted upon and defeated.

Article 18. Fred Moss made the motion that the Town vote to instruct the Selectmen to require licensing of shows and open-air meetings as provided in RSA Chapter 286. The motion was seconded by Christopher Dumaine. This motion was primarily inserted for the control of any further "music festivals" such as the Town experienced during the summer of 1971. Lengthy explanations and dis-

cussion followed. Fred Moss moved the question. Andrew Belanger seconded the motion and it was voted in the affirmative.

Article 19. Robert Foote moved, seconded by Arthur Houghton, Jr., that the Town vote the use of the old High School Shop to the Constitution No. 2 and the Molly Stark cannon carriage. Christopher Dumaine proposed an amendment to read: "to allow the Shop to be so used until such time as the fire department moves to its new quarters, then the Hand Tub and Molly Stark Cannon be stored in the present fire station." The amendment was seconded by David Whipple and was accepted. Arthur Houghton, Jr., moved the question, seconded by Charles Houghton, and it was voted in the affirmative.

At 9:45, the meeting was recessed for the serving of refreshments. Upon resuming the meeting, Mr. and Mrs. James Ryan were congratulated on their excellent care of the Town Hall.

Article 20. It was moved by Howard Prince to see if the Town will vote to reconsider the action taken at the 1956 Town Meeting relative to traffic on Depot Street. The motion was seconded by Herbert Elliott, Jr. Fred Moss moved to reconsider the motion made previously and substitute with the following amendment: that the "One-way" sign at River Road be replaced with a "No Through Traffic" sign; that "Stop" signs be maintained at the junction with River Road; also that a "No Through Trucking" sign be maintained at the junction with High Street and that the "One Way" sign be installed at a point above Mrs. Hodge's residence. Arthur Houghton, Jr., moved the question which was seconded by Theodore Tower, voted upon and passed in the affirmative, accepting both the Article and Amendment.

Article 21. It was moved by Kenneth Barss and seconded by Walter Houghton to see if the Town will vote to raise and appropriate the sum of \$1,000 to be put in a Capital Reserve Fund toward the purchase of New Fire Apparatus in the near future. The motion carried.

Article 22. It was moved by Kenneth Barss and seconded by Andrew Belanger to pass over this Article which would ask the Town to raise and appropriate the sum of \$2,000 to be put in a Capital Reserve Fund toward the building of a new Fire Station in the near future. The motion carried.

Article 23. Daniel McCreary moved to see if the Town will vote to raise and appropriate the sum of \$2,000 to be put in the Capital Reserve Fund toward the purchase of new Road Machinery in the near future. The motion was seconded by Walter Dickerman and passed in the affirmative.

Article 24. Roland Sallada moved that the Town vote to take the sense of the qualified voters whether the amendments of the Constitution Proposed by the 1971 session of the General Court shall be approved. The motion was seconded by Harold Strong.

This Article is pertinent to allowing eighteen-year-olds to vote and to allow them to hold elective office, which was voted upon by ballot through the day by the voters. The results were: Favorable: 283; opposed: 166. The end result meaning the eighteen-year-olds will be allowed to vote, but not permitted to hold elective office.

Article 25. Howard Towne moved that the Town vote to authorize the Selectmen to sell by public auction, or administer property of the Town acquired by tax deed or gift. The motion was seconded by Robert Normandin and passed in the affirmative.

Article 26. Harold Strong moved that the Town vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town. The motion was seconded by Daniel McCreary and passed in the affirmative.

Article 27. To transact any other business that may legally come before the meeting.

Donald Byam moved that a committee be appointed by the Moderator to further investigate the gravel Ordinance as adopted on this date and to bring in, not later than the 1973 Town Meeting, recommendations as to how same can be amended to be more effective and to propose such changes therein as they feel would be for the betterment of the Town, said Committee to consist of all the members of the Conservation Commission, one member from the Forestry Committee, one member of the Board of Selectmen, one member of the Planning Board, one lawyer and one member of the public-at-large, the chairman of this Committee to be named by the Moderator. The motion was seconded by Stephen Peterson and passed in the affirmative. The following Committee was appointed by the Moderator:

Forestry — Robert Todd

Selectman — Walter Kirsch

Planning Board — Herbert Elliott, Jr., appointed Chairman

Lawyer — Stephen Spielman

Citizen — Arthur E. Houghton, Jr.

Roland Sallada made a motion requesting the Selectmen be given the authority to dispose of the High School Shop if it be deemed necessary relative to the new fire house. The motion was seconded by Howard Towne and passed in the affirmative.

A motion was made by Arthur Houghton, Jr., that next year the members of the Planning Board be voted by ballot instead of being appointed. The Moderator advised that the State Law reads that members of the Planning Board must be legally appointed.

The meeting was adjourned at 10:50.

Respectfully submitted,  
BEATRICE C. HOOPER, Deputy Town Clerk

## Articles in the Special Town Warrant and Proceedings of the Special Town Meeting, June 13, 1972

To the inhabitants of the Town of New Boston, in the County of Hillsborough, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall, in said New Boston on Tuesday, the 13th day of June at 8:00 o'clock in the evening to take up the following Articles:

1. To see if the Town will vote by ballot to approve the location of the Fire Station on a plot of land as shown on a plan filed with the Town Clerk, Town of New Boston. This Fire Station being the same structure for which funds were raised and appropriated at the 1972 Town Meeting pursuant to Article 12 of the Warrant of said meeting.

Moderator David L. Nixon called the meeting to order at 8:00 P. M., and read the Warrant. The Rev. Joseph Holland offered prayer and Roland Sallada led in salute to the flag.

Selectmen Roland Sallada and Harold Strong and Steven Spielman, Town Counsel, explained the reason for the special town meeting.

Roland Sallada, made a motion, seconded by Laurier Michaud, that the Town vote by ballot on Article 1. After much discussion, Russell Gomes moved the question, seconded by John Garrod, which was voted in the affirmative. The ballot vote on Article 1, passed: 135 Yes and 112 No.

2. To see if the Town will vote to have the Selectmen appoint a Committee of no less than seven (7) members to consider alternate sites for the Fire Station and specifically, to consider a plot of land 150 feet by 150 feet on River Road approximately opposite Thompson's Garage, said land to be deeded to the Town of New Boston by Leon Daniels at no cost to the Town and to consider the land and buildings known as "Daniels' Garage" on River Road.

A motion was made by Curtis Peterson, seconded by Paul Wilson, to pass over Article 2. It was so voted.

The meeting adjourned at 9:55 P. M.

Respectfully submitted,

MABEL E. HODGE, Town Clerk

Article 17.

To see if the Town will vote to adopt the following Ordinance:

**ORDINANCE TO REGULATE REMOVAL OF EARTH PRODUCTS IN THE TOWN OF NEW BOSTON**

The removal of earth products including, but not limited to, all types of soil, humus, peat, loam, sand, gravel, and bedrock is prohibited except as provided for by this ordinance and except where such removal is for the purpose of construction of noncommercial, residential buildings.

Authorization for earth products removal shall be by written permit from the Board of Selectmen. Issuance of said permit shall be by the following procedure:

1. Written application to the Board of Selectmen, said application to include the following information:

- a. Location of proposed Excavation.
- b. Legal names and addresses of (1) the individual or firm applying for the earth products removal permit, (2) the owner of the property, (3) owners of all property located within 600 feet.
- c. Estimated quantity of material to be removed during 12-month permit period.
- d. Topographic map of the area with existing and final contours. The Board of Selectmen may waive this requirement where the total proposed excavation amounts to 10,000 cubic yards or less during any one 12-month permit period.
- e. Method of removal and routes of transport of material.
- f. Hours and days of operation.
- g. Anticipated duration of removal operation with estimated quantity of material to be removed during each year of operation.
- h. Plan establishing how each condition set forth under Paragraph 3 of this ordinance will be met.

2. The application shall be submitted together with a fee of \$25. The Board of Selectmen may waive this fee requirement where the total proposed excavation amounts to 10,000 cubic yards or less during any one 12-month permit period.

3. Satisfactory evidence must be presented establishing that the following conditions will be met:

a. The Excavation will not be detrimental to the welfare of the Town in terms of property values, historic or scenic character, and environmental quality.

b. The operation will not in any way endanger the public health or safety or constitute a nuisance through production of noise, dust or other by-products seriously objectionable or detrimental to the normal use of adjacent property.

c. The earth removal will not result in traffic congestion or hazards and will not result in undue injury to ways over which material is transported.

d. When the removal of material is completed, the site will be established to prevent erosion and will not be detrimental to the welfare of the Town in terms of property values, historic or scenic character, and environmental quality.

4. A performance bond will be posted with the Treasurer of the Town of New Boston by the applicant in an amount judged by the Board of Selectmen as sufficient to guarantee conformity with the provisions of Paragraph 3 of this ordinance. The Board of Selectmen may waive this bond requirement where the proposed excavation amounts to 10,000 cubic yards or less during any one 12-month permit period.

5. a. The Board of Selectmen may issue an Earth Products Removal Permit by unanimous affirmative vote within ten (10) days of receipt of application where the total proposed excavation amounts to 10,000 cubic yards or less during any one 12-month permit period. Upon denial of permit, the applicant may request a public hearing.

b. The Board of Selectmen may not issue an Earth

Products Removal Permit without a public hearing where the total proposed excavation amounts to more than 10,000 cubic yards during any one 12-month permit period.

6. a. Where a public hearing is requested pursuant to Paragraph 5.a., said public hearing shall be held within thirty (30) days of request.

b. Where a public hearing is required pursuant to Paragraph 5.b., said public hearing shall be held within forty (40) days of receipt of application. If, however, in the opinion of the Board of Selectmen, supplementary information is required to evaluate the application properly, the Board shall retain appropriate technical services. In this case said hearing shall be held within thirty (30) days of the date of receipt of the required supplementary information.

c. For any public hearing held pursuant to an earth products removal application, notice of at least twenty (20) days must be given in a newspaper of local circulation, and abutters of record to the removal site must be notified by certified mail.

d. The cost of all technical services required by the Board of Selectmen pursuant to Paragraph 6.b. shall be paid by the applicant in advance of the Board of Selectmen retaining such services.

7. The Board of Selectmen shall within ten (10) days of the public hearing either issue or deny an Earth Products Removal Permit.

8. Removal activities in lawful operation at the time this amendment is adopted may continue unless abandoned for more than twelve (12) consecutive months, provided that the total amount of material removed may not exceed 10,000 cubic yards in any one calendar year and provided, further, that the Selectmen may allow an earth removal operation to continue upon satisfactory evidence that prior to the 7th day of February, 1972, the owner of the property had entered into a valid contract for earth product removal with a bonafide contractor.

9. The Earth Products Removal Permit shall be valid for a period of no longer than twelve (12) months from the effective date and may be renewed without fee by a majority vote of the Board of Selectmen, only if the information and conditions of the original application have not changed. In all other cases, new application must be made as set forth in this ordinance. Earth Products Removal Permits may contain any restrictions the Board of Selectmen deems necessary to protect the interest of the Town.

10. The penalty for violation of this ordinance or of the restrictions of the permit will mean revocation of the existing permit after a public hearing, plus a fine of not more than \$100 for each offense. Each day of violation shall constitute a separate offense.

11. The invalidity of any section or provision of this ordinance shall not be held to invalidate any other section or provision of this ordinance.

12. This ordinance and any amendments thereto shall become effective when passed by majority vote at a Town Meeting. Upon passage, this ordinance in its entirety shall replace "An ordinance to Regulate Removal of Earth Products from New Boston," passed at Town Meeting, March 8, 1972, or act in relation thereto.

#### Article 18.

PAUL G. MANSFIELD,  
Forest Fire Warden

## *Fire Warden's Report*

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 a. m. and 5:00 p. m. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State	410 fires	361 acres burned
District	79 reported	45 $\frac{3}{4}$
Town	9	6 $\frac{1}{2}$

## CONSERVATION COMMISSION REPORT

The Board of Selectmen re-appointed Kenneth Marvell and Carolyn Todd for new terms on the Commission. Officers elected for the year: H. Randall Parker, chairman; Waldon B. Hersey, vice-chairman; Marjorie Colburn, secretary; Carolyn Todd, treasurer.

We voted to ask the Selectmen to appoint two more members, expanding membership to seven, the total membership allowed under provisions of Chapter 36-A. The Selectmen reciprocated, appointing Patricia Getman and Brian Towne for two year terms in accordance with provisions of the statute.

Much time has been spent in preparation for the Meadowbrook Marshland project application, with delays encountered in procuring necessary signatures of owners and abutters. The project is somewhat in doubt due to present cutoff of federal funds, however, the preliminary planning process continues.

We sponsored a community-wide cleanup of roadsides last April, and thanks to the cooperation of community organizations and individuals, and the state highway department, tons of litter were removed from all the main roads in town, greatly improving our appearance.

Commission members have attended the several meetings of the special committee to review the Gravel Ordinance passed at the 1972 town meeting, with several amendments to be propped.

We voted to try a recycling project at the dump. A small shed was constructed to house collected materials, and the collection of paper, glass and metal was initiated. The Boy Scouts were overwhelmed with the response in regard to waste paper disposal, and we had to ask townspeople to hold their collections of paper in their homes until spring. Hopefully, the problem can be solved by warm weather. Collections of metal, and glass separated by color are provided for at the recycling shed, and your cooperation is appreciated. The response is encouraging, and we'll endeavor to iron out some of the difficulties encountered with initiation of this new project. Meanwhile, please bear with us for any inconvenience you have experienced in this new venture.

Respectfully submitted,

## REPORT OF THE PLANNING BOARD

The four year appointee by the Selectmen is Richard Whynall, who had been appointed in 1971 to fill the unexpired term of Ned Kinney. Harold Strong is Selectman member. Mr. Whynall was elected Chairman and Yvonne Gomes elected Secretary-Treasurer.

It was voted to have two meetings a month, the second and fourth Tuesdays, to accommodate the requests for subdivisions. There were fifteen subdivision approvals this year.

Yvonne Gomes attended a 12-session Subdivision Development Training Program conducted by the Office of State Planning.

The Board has revised the subdivision regulations to up-date and encompass the new laws and regulations enacted by the State. There will have been a public hearing before Town Meeting.

There were three resident citizen committees, to whom the

Board is grateful, appointed to work for the Town. The Master Plan Study Committee circulated a questionnaire regarding New Boston's future growth.

Rhoda Clark was voted Chairman, pro-tem, after Mr. Whynall's accident.

When N. H. Timbers, Inc. subdivided land at McCurdy and Bedford Roads, it was requested by the Board that "Sunday Driver Rock" be protected for the Town. It was written into the deed, with the permission of Mr. and Mrs. Horton Foote who purchased the property, that the rock is not to be defaced or removed. Our thanks to Mr. and Mrs. Foote.

The Board accepted a quit claim deed, for one lot on behalf of the Town, from Mr. Charles Houghton, pending completion of the road into his subdivision.

Board members attended a gravel pit meeting with officers and committee members of Goffstown and New Boston and other meetings pertaining to the River Road Scenic Easement Project.

Mr. Ray Walker of the So. N. H. Regional Planning Commission spoke at a public meeting about membership in the association and how it would be of benefit to New Boston concerning a master plan and zoning. It is a vote of the Board that the Town raise the money by an Article in the Town Warrant to become a member.

## The Challenges Ahead

The challenges in the immediate future are the full utilization of the facilities and the selection, retention and development of a staff which is not only capable but also dedicated to the service of the educational needs of the boys and girls of New Boston.

The New Hampshire State Board of Education has developed a program of Minimum Standards to be applied to all public elementary schools in New Hampshire with September 1, 1972 as the effective date for local schools to begin implementation of "Minimum Standards and Recommendations for New Hampshire Elementary Schools for School Approval, K - 8."

The purpose of Minimum Standards is to provide for planning, organization and establishment of a minimum standards program for public elementary education to (1) improve the quality of learning and teaching in New Hampshire, and (2) to see that each child has an equal opportunity for learning.

The goals of the State Board of Education Minimum Standards Project are to require:

1. Public elementary schools to develop a written statement of philosophy.
2. School to develop organizational patterns that best meet the needs of all children.
3. Sound administration and supervision in the elementary school.
4. A broad well-balanced elementary school curriculum.
5. Well-qualified and sufficient teaching personnel to meet adequately the needs of all children.
6. Sound in-service education programs for all teachers.
7. Good library facilities and services in all public elementary schools.
8. Good guidance and counseling services in all public elementary schools.
9. Functional modern elementary school facilities.

John J. Economopoulos, Consultant, State Department of Education Elementary School Services, states that elementary school self-evaluation is a design for the improvement of education. It is an opportunity to reveal and identify in a more objective manner the unique strengths and existing weaknesses of the elementary school program. It is a basis for (1) maintaining that which is good, (2) terminating that which is poor, (3) modifying that which can be improved, and (4) adding that which is needed. It is an effort to inform the community, the staff, and the school board about the quality of education being offered and supported in the local elementary schools. Also, it is an opportunity to make a thorough and unhurried analysis of the entire school program.

The local school philosophy should be developed cooperatively with the staff and community. It should have the formal approval and support of the local school board. This philosophy should serve as a guide to those interested in self-evaluation or comprehensive evaluation from an outside source. It should be continually studied, analyzed and improved.

The New Hampshire State Board of Education at its June 16, 1971 meeting approved as official policy the state-wide plan for staff development as recommended by the Professional Standards Board. Effective July 1, 1975, all Supervisory Unions and/or school districts are to have developed, in accordance with the adopted policy, three-year staff development plans. Supervisory Unions or school districts are expected to submit to the Office of Teacher Education and Professional Standards by July 1, 1973, a report of their progress in the creation of their continuing education programs.

Supervisory Unions or school districts are urged to utilize the resources available to them through the New Hampshire State Department of Education to provide assistance in the formation and ongoing evaluation of local staff development plans.

The Guidelines for Staff Development in New Hampshire as adopted by the State Board of Education assume that the professional development of each educator is a life-long process and is an inherent

ingredient of his role as an agent for improving the quality of life in society.

The Staff Development Guidelines are based also on the assumption that continuing education is multifaceted and offers a wide variety of options for professional development. In addition, the policy centers on the notion that the most meaningful in-service education emanates from the needs as perceived and developed by educators, students, and the community in a cooperative, supportive fashion rather than generalized state-wide requirements.

The Staff Development Guidelines are process oriented, and as such, are open to change and modification based upon experience people have in the development and implementation of programs.

In conclusion, the State Board of Education through the Staff Development Program is attempting to provide an atmosphere in which the function of continual professional growth of New Hampshire's educators is given a central role in the improvement of education in the State.

The New Boston School District is actively engaged in a program designed to meet the State of New Hampshire Elementary School Standards and in the State directed program of Staff Development.

#### **Acknowledgment**

I wish to extend my sincere appreciation for the support and cooperation extended to me by the principal, teachers, pupils, school board and citizens of New Boston as well as the loyal support of Supervisory Union No. 19 office personnel: Howard Wagner, Assistant Superintendent of Schools; Wayne Evans, Business Administrator; and Mrs. Ruth Henk, Mrs. Harold Smith, Mrs. C. W. Schricker and Mrs. James Austin of the office staff.

As I retire in June, 1973, I will remember forever the courteous, dignified and cooperative manner in which I have consistently been received in New Boston, Bow, Dunbarton, Goffstown and Weare during the last eleven years as your Superintendent of Schools.

Thank you sincerely.

Respectfully submitted,

ERNEST PELTONEN,  
Superintendent of Schools

# NEW BOSTON ANNUAL SCHOOL HEALTH REPORT

September 1971 - June 1972

School physicals were held January 13, 1971. At that time 74 children were examined by Dr. Albert Snay, School Physician.

One child was taken to Dr. Snay's office for a physical examination.

One child was taken to Notre Dame Hospital for sutures.

One child was treated for a broken arm.

Two children were treated for concussions.

One child was treated for a dislocated collarbone.

A State Dental Hygienist spoke to all grades about good dental care. Appropriate literature was distributed to all pupils.

A dental fluoridation program sponsored by the PTA took place at the New Hampshire Dental Institute in Concord. This was a free service offered by the State in which 72 children were able to participate from January through March, 1972.

Routine physical examinations were given to the cafeteria workers including serology and throat cultures, etc.

A program dealing with smoking and its effects was presented December 9 by Mr. Thomas Rimmer of the New Hampshire Tuberculosis Society.

Four immunization clinics were held November 10, 1971; April 6, May 4, and June 1, 1972. A total of 269 immunization were given. These clinics are sponsored by the Monadnock Visiting Nurse Association.

A menstrual hygiene education program was presented to the fifth and sixth grade girls with a question and answer period following.

A pre-school vision and hearing screening program, sponsored by the New Hampshire Department of Health & Welfare, was held March 16, 1972; 44 children participated, ages four to six. This was under the direction of Mrs. Natalie Smith.

Pre-school registration was held May 11 and 12, 1972; 37 children were given vision and hearing examinations, height and weight measurements, and tuberculin tests. The health history and school readiness as well as the immunization records of each child was discussed with the parents.

Mr. Nelson McAskal of the Goffstown Police Department spoke to the fifth and sixth grades about drug and alcohol abuse. A question and answer period followed. Mr. Robert Sarnoff of the State Department of Education presented an informal session dealing with drugs and alcohol to the sixth graders.

I want to thank the parents, teachers, and volunteers for all their consideration and help.

Respectfully submitted,

ELIZABETH A. MOORE, R.N.

**School District of New Boston, New Hampshire**  
**RECORD OF SCHOOL MEETING**  
**March 4, 1972**

The meeting was called to order at 8:18 by Moderator David L. Nixon. Mrs. Kendall Orcutt led the Lord's Prayer, and School Board Chairman John Young led the salute to the flag.

Introduction was made of Ernest Peltonen, Superintendent of Schools, and Wayne Evans, Business Manager of the District; and John Young, Cora G. Trimbур and Jady Judy, members of the New Boston School Board.

Examination of the Warrant was made and it was found to be in order, except that there was no Item 5; making Items 6 and 7, 5 and 6 respectively.

ARTICLE 1 — On motion by Cora G. Trimbур, with second by Howard Towne and Robert Normandin, it was VOTED that the salaries of the School Board and Truant Officers and the compensation of any other officers or agents of the District be accepted as listed in the budget.

ARTICLE 2 — Cora G. Trimbур moved that the reports of Agents, Auditors and Committees or Officers be accepted as printed in the Town Report. Second was made by Roland Sallada.

John Young explained that two reports were missing; i.e., the Treasurer's Report and the Auditors' Report. Both were in the process of preparation and would be published as soon as they were available.

Some errors in the printing of the Report were noted; namely, Donald Byam was listed incorrectly as School District Auditor instead of James MacPhail; Vaughn Smith was listed as a member of the School Board instead of Jady C. Judy.

Christopher Dumaine questioned that portion of Mr. Peltonen's report having to do with the staff development and curriculum development in New Boston. Moderator Nixon asked for permission from the floor to hear Mr. Peltonen. It was moved by Roland Sallada, seconded by Robert Normandin and approved by the assemblage to allow Mr. Peltonen to be heard.

Mr. Peltonen explained that the responsibility of approval and certification of teachers has rested with the State Department of Education. The State Department of Education is now shifting these responsibilities to the local levels; that it was not necessary that local school boards be held to the criteria previously required at the state level.

There was considerable discussion concerning the qualifications and certification of the present teachers and much dissatisfaction was expressed by those present with the current school situation.

The Article was ultimately put to a vote, and it was VOTED to approve the reports as printed in the town report.

ARTICLE 3 — To choose Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto. It was moved

by John Young, seconded by Wilfrid LaBelle, and VOTED to pass over this article.

ARTICLE 4 — On motion by Jady Judy, with second by Mrs. Edward Gallagher, it was VOTED to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

ARTICLE 5 — Motion was made by Christopher Dumaine that we pass over Article 5 and move to Article 6, since there may be discussion under Article 6 which would influence the voters in their consideration of Article 5. This motion was seconded by Richard Dilley and Mrs. James Ryan and it was so VOTED.

ARTICLE 6 — Christopher Dumaine moved that the School Board be requested to make every effort to upgrade the calibre of our teaching staff, and that automatic renewals of teacher contracts not occur for the school year 1972-73, no criticism of our School Board being intended by this request. This was duly seconded and there was much discussion.

Mrs. Randall Parker requested information on the current teaching staff concerning accreditation and certification. Mr. Peltonen advised that this information was not readily available since it was in Goffstown.

Many people took this opportunity to express displeasure with the current school situation, and it was noted that a large number of grammar school students were being educated at private schools outside of New Boston. John Young said that the School Board would request that those having specific complaints concerning specific school situations put this information in writing and submit their written complaint before the next meeting of the School Board, when the School Board will take them under advisement.

Christopher Dumaine said that it was his original intention in making this motion to get people thinking about the situation and to give them an opportunity to be heard, and also to give the School Board some direction. He said, "It's not the bricks and buildings that make a good school, but the people inside."

Howard Towne moved that it be resolved by this meeting that the School Board be asked to expand the curriculum on alcohol and drug abuse as suggested by Mr. Snow at a recent public meeting, and that the staff attend workshops for the same. This motion was seconded by Mrs. Robert Getman and Christopher Dumaine. It was so VOTED.

Howard Towne moved and Christopher Dumaine seconded that we return to Article 5.

ARTICLE 5 — Moved by John Young, with second by Cora Trimbur that the District raise and appropriate the sum of \$328,824.94 for the support of schools, for the payment of salaries for School District officials and agents and for the payment of the statutory obligations of the District.

John Young noted that the motion indicated an increase over the \$328,174.54 figure printed in the proposed budget. This particular increase was caused by the adding of an extra bus. Some of the more significant items influencing the increase in the budget were the result of more students attending Goffstown Jr. and Sr. High Schools, with an expected increase in tuition for each student to approximately \$775. This is not a firm figure, but an estimate since we will be assessed on the current year, and this cannot be determined until the end of the school year. The School Board was also anticipating a considerable decrease in state aid for the coming year.

There was again much discussion concerning the teacher situation and Mrs. Ryan suggested we might be better off to increase salaries to obtain quality teachers. Mr. Judy explained that the teacher-pupil ratio in New Boston was very good, and an increase in salary does not necessarily guarantee better teachers.

James Dane moved the previous question, it was duly seconded and VOTED.

It was VOTED to approve the budget of \$328,824.94 as presented by the School Board.

It was moved by Roland Sallada and seconded by Richard Whynall that we return to Article 3.

Mrs. Robert Getman moved that we appoint a committee to study transportation of all students attending school in Goffstown, both private and public. Second was made by Thelma Neville.

This motion was amended by Roland Sallada to include all students attending all schools, public or private. This was seconded by Mrs. Kendall Orcutt.

After much discussion, Howard Towne moved the previous question, which was duly seconded and carried.

Howard Towne moved the main motion and after being seconded the motion carried.

On a vote on Mr. Sallada's amendment, the chair was in doubt and called for a division of the house. The amendment was defeated 30-23.

Mrs. Getman took this opportunity to recognize the efforts of Mona Brooks, who has spent one day a week teaching Creative Arts at the Central School, and moved that the record show the District's appreciation for her many hours of service. This was seconded, but amended to include Mrs. Getman by Mrs. Christopher Dumaine. The amendment was seconded by Laurence Saunders and it was an unanimous vote.

There being no further business, Christopher Dumaine made a motion, which was seconded by Howard Towne, that the meeting adjourn.

The meeting was adjourned at 11:15 p. m.

Respectfully submitted,

THELMA I. NEVELLE,

Clerk
